"THE TIGER TALES"

EDITORS' MESSAGE

You're typical teens . . . making fun out of work . . . sharing interests . . . you like jeans but can change when it fits the occasion.

Yes, you're typical teens . . . go steady . . . about five months . . . dress up . . . heels for her . . . tie for him . . . you know how to drive . . . rely on the family car . . . get it . . . say twice a week.

You're a typical high school student . . . you go out for sports . . . one hundred per cent . . . you hold down a job . . . baby sit . . . sometimes into the early hours of morning . . . you work in stores . . . garages . . . up late . . . little spare time.

Your daily schedule is a familiar pattern of high school life . . . get up at 6:30 . . . maybe 7:00 . . . sometimes oversleep . . . go at break-neck speed to class . . . you snack . . . drink cokes . . . listen to the radio while doing home work . . . munch candy bars and hot dogs . . . you enjoy school but hate to admit it . . . study some . . . three hours a night . . . no . . . a week . . . average "A" . . . well "C" . . . anyway you make the grade . . . just . . . but you're satisfied because you are a teenager.

So, this is your book, "THE TIGER TALES", which is a record of your school year . . . classrooms . . . athletics . . . honors . . . teachers. Wherever you go, may you always find it a reminder of your teenage.

Reprinted from the 1956 Tiger Tales yearbook.

Throughout this year, I have searched for the perfect idea to fill the pages of the 1988 Tiger Tales yearbook. My search lead me to an old HHS yearbook resting on my shelf. While flipping through the pages, I came across an editor's message. I could not believe how familiar it sounded. The actions of teens are still the same from 1956 to 1988.

Few people realize how difficult it is to publish a yearbook. It requires hours of planning, designing, photographing, writing, and typing. Each page must be individually drawn on one form and copy typed on another form. An average of at least one hour is spent for each page.

No one knows this better than this year's editor, Mandy Buffaloe, who has worked many hours to make this yearbook one that will bring back wonderful memories of the 87-88 school year.

Thanks, Mandy, for being responsible, organized, and dedicated and for making my job as advisor much easier.

We have but one lamp by which our feet are guided, and that is the lamp of experience. We know of no way of judging the future, but by the past.

We hope that your future is as rich and wonderful as you would like it to be. We have strived to prepare you to be a vital part of the society in which you will live. We have passed the torch of life and learning to you. It is now your responsibility to carry it and attempt to produce a society better than the one in which you now live.

The path and the challenge lie ahead of you. Always holds your head high and do the very best you can. Be as proud of yourself as we are of you.

A student's life isn't easy. From the beginning as a freshman until the mighty life of a senior is reached, there are many choices to make. Each student must decide which activities to become a member of. Once a member, the hard work turns into fun when friends gather together and work in harmony. Being a student isn't easy, but I'm positive most will agree, It sure is a lot of fun.

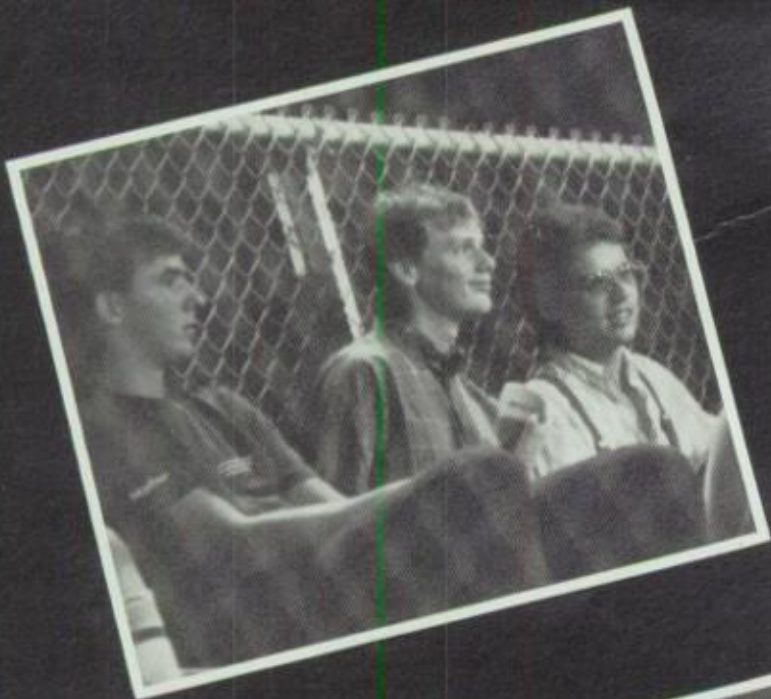

STUDENT LIFE

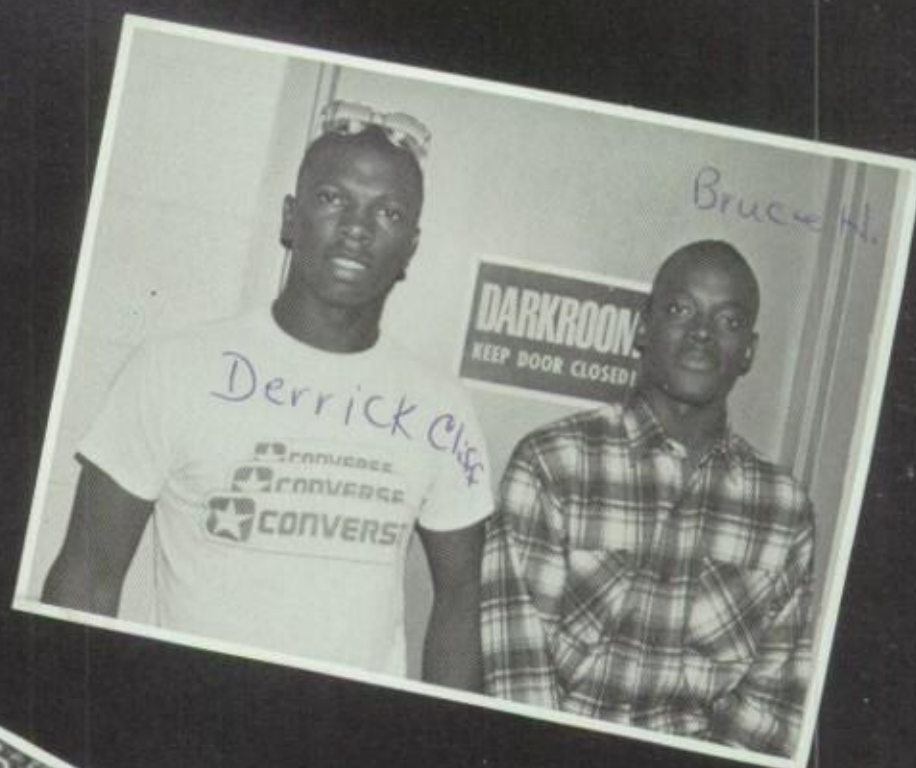

A friend and a smile go hand and hand. Friends getting together always create beautiful memories to share. A day without a friend and a smile isn't really a day at all.

A FRIEND AND A SMILE

When looking around HHS, you can see many ranges of clothing styles. The 1980's skateboard style back to the 1950's be-bop styles played an important part of homecoming activities. Mostly jeans and sweats are the most popular for the everyday student. Also fashionable are the traditional classrings, unique jewelry, colorful shoes and accessories. Fashion has its place in Halls High.

HOMECOMING 1987

This year our Homecoming spirit was expressed in many different ways. The classes showed alot of enthusiasm by supporting their classmates in a variety of events. This year we brought back the old tradition of the floats. The pep rally was a big success along with the addition of Mrs. Myracle kissing the pig.

All classes showed much spirit throughout the week, but the seniors came out on top. We can also say "these were THE BEST OF TIMES."

We are the class of '88
Our high school years were really great
We caused a ruckus every day
And always tried to get our way
We must admit we'll miss this school
But there's no way we'll miss the rules
We started out as Freshmen
So young and oh, so scared
Now we're awesome Seniors
Ready to face all dares

Although we'll go our separate ways
We shall never forget the good ole days
Take all memories don't let them go
Even when we're gray and old
Cherish the moments we shared each day
And never let them slip away
Now it's time to say farewell
To all the friends we've known so well
Good-bye, So long, and Best of Luck
To that class we've loved so much!

The Beta Club is one of the most highly respected clubs in the school. Its members are chosen based on an average of at least 93 and must have worthy character, good mentality, creditable achievement, and commendable attitude. Members are voted into the club by the teachers and present Beta members and may be accepted in the second semester of their sophomore year or any time thereafter.

The Beta Club is a national club; its purpose is the promotion of the ideals of honesty, service, and leadership among high school students of America, to reward meritorious achievement, and to encourage and assist students to continue their education after high school.

Our Members travel to Nashville in the spring to the state Beta Convention, where they participate in several activities. They also get involved in many community and school activities such as Thanksgiving baskets for the needy, Christmas fruit baskets to the elderly at Park Meadows, providing refreshments at the parent-teacher conference, and the school Honor Roll. A new activity this year is the making of a club scrapbook to be entered in competition at the state convention.

The Beta Club is an active club, and it is considered an honor to be a part of it. We all stand behind our motto: "Let us lead by serving others."

The DECA members enjoyed a club picnic to begin the year. Many members sold raffle tickets for activities throughout the year. The top salespersons were Kim Lewis, Larry Johns, and Beth Newman. Although it wasn't rigged, our member Chris Burrough won the \$200.

We would like to recognize the DECA members who work in the businesses around town and thank the employers who help support the DECA chapter.

The members attending designed the cover of this years book as well as learning many different things about the yearbook. Later in the year two more members were added and Lisa Newman gained the title of Assistant Editor. All in all, this years yearbook became a success.

Tiger Tales
1988

Entering Jr. High is a great change for those who come from elementary school. Changing classes and having several teachers seem to make the day go by faster. Lunch is also a new change. Choosing among the number of foods is much better than one thing.

Being a one year veteran of Jr. High, things are kind of old and students are use to the changes. But looking into the future, students face a new change called High School. Jr. High and High School aren't so different that it's scary. More teachers and more opportunities to make you strive harder to achieve your goals, make the pleasures of High School a happy place to be.

As I prepare to graduate, I would like to take this time to remember my sweet, beautiful sister, Lisa. My heart feels sad when I think to myself — Lisa will never get to graduate. She can never get married or ever become a veterinarian as she hoped to do one day. Sometimes I can't help wondering — Why did she have to die? She was so young and so loved. She loved God with all of her heart. A big part of my life is gone and I don't think it will ever be the same. I know that God is taking good care of her, and that is the only comfort I feel. If I could talk to Lisa one more time, I would tell her, "I love and miss you very much. It is hard living in this world without you. I feel so alone because there are some things only a sister can understand. I wish so much that you were here with me. I will always love you with all my heart and remember all of the beautiful things about you."

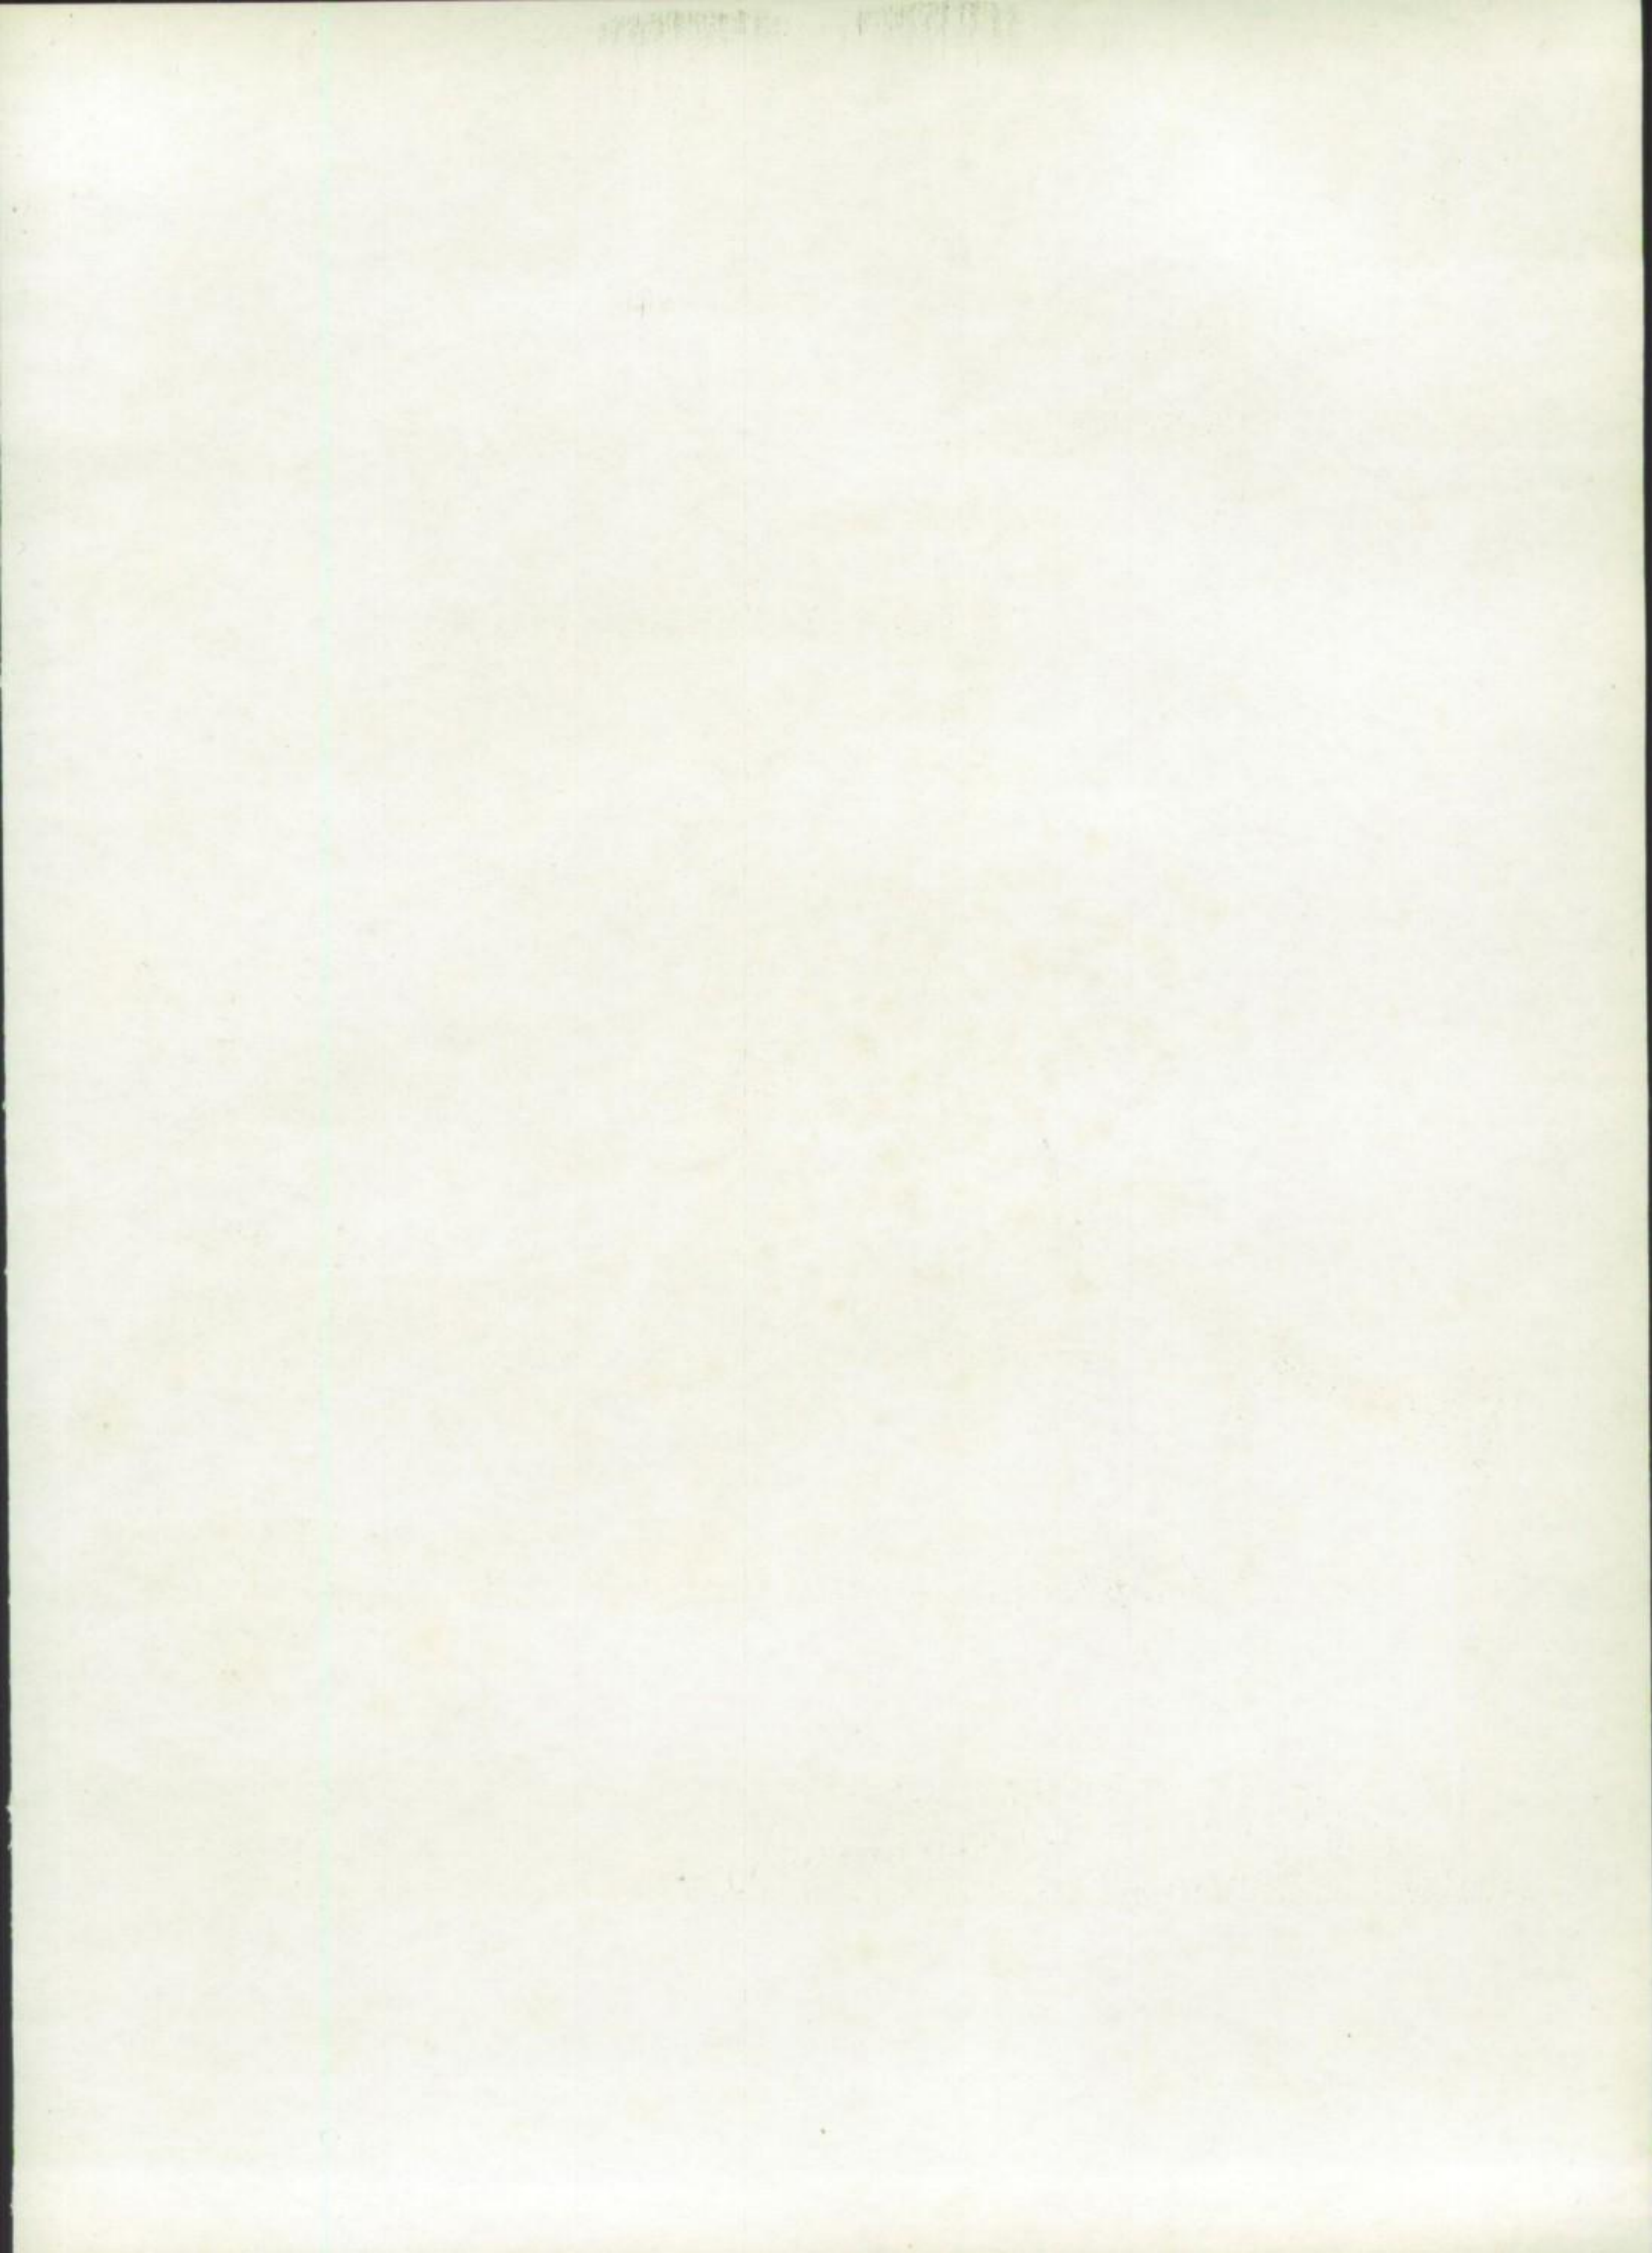

I love you,
Your big Sister
Kelly
